## Extending the Warmest Gre of the Liberc

**C**OMRADE Mao Tsetung, the great leader of the Chinese people and Chairman of the Central Committee of the Communist Party of China, Comrade Lin Piao, Vice-Chairman of the Party Central Committee, and Comrade Chou En-lai, Premier of the State Council of the People's Republic of China, on November 28 sent a message to Comrade Enver Hoxha, the great leader of the Albanian people and First Secretary of the Central Committee of the Albanian Party of Labour, Comrade Haxhi Lleshi, President of the Presidium of the People's Assembly of the People's Republic of Albania, and Comrade Mehmet Shehu, Chairman of the Council of Ministers of the People's Republic of Albania, extending the warmest greetings on the 25th anniversary of the liberation of Albania. The message reads in full as follows:

Tirana

**Comrade Enver Hoxha**, First Secretary of the Central Committee of the Albanian Party of Labour,  
**Comrade Haxhi Lleshi**, President of the Presidium of the People's Assembly of the People's Republic of Albania,

**Comrade Mehmet Shehu**, Chairman of the Council of Ministers of the People's Republic of Albania,

Dear Comrades:

At a time when the fraternal Albanian people, with the pride in victory, are joyously celebrating the 25th anniversary of the liberation of their fatherland, we, on behalf of the Communist Party of China, the Government of the People's Republic of China and the entire Chinese people, extend the warmest greetings to you and to the Albanian Party of Labour, the Government of the People's Republic of Albania and the entire Albanian people.

Twenty-five years ago, under the leadership of the Albanian Party of Labour headed by Comrade Enver Hoxha, the Albanian people, taking up arms, advancing wave upon wave, fighting indomitably, going through protracted struggles and relying on their own efforts, defeated the Italian-German fascist occupationists and liberated their own fatherland. This is a great victory in the history of the Albanian people's revolutionary struggle.

In the 25 years since liberation, under the wise leadership of the Albanian Party of Labour, the heroic Albanian people, holding aloft the red banner of Marxism-Leninism, fearing neither hardship nor peril and defying brute force, have crushed the subversion, sabotage and trouble-making by the class enemies at home and abroad, defended the independence of the fatherland and safeguarded the socialist state. Upholding the dictatorship of the proletariat and persisting in taking the socialist road, the Albanian people have achieved brilliant

successes in socialist revolution and socialist construction. Albania's revolutionization movement has pushed the socialist revolution to a more deepening stage, greatly transformed the mental outlook of the people and further promoted the vigorous development of the cause of socialist construction. The Albanian people have waged valiant struggles against imperialism headed by the United States, modern revisionism with the Soviet revisionist ruling clique as its centre and the reactionaries of all countries and made outstanding contributions to the revolutionary cause of the people the world over. Today, socialist Albania has become a strong bulwark in supporting the proletariat and revolutionary people of the world in their struggle for liberation.

The brilliant victories of the Albanian people are victories for the proletarian revolutionary line of the Albanian Party of Labour headed by the great Marxist-Leninist Comrade Enver Hoxha. The Albanian Party of Labour and the Albanian people have enriched the treasure house of Marxism-Leninism with their brilliant revolutionary practice.

The Chinese people and the Communist Party of China are immensely elated over the splendid achievements and great victories of their close comrades-in-arms — the Albanian people and the Albanian Party of Labour. In the protracted common struggle, our two Parties, two Governments and two peoples have forged profound revolutionary friendship between them. Our friendship is based on Marxism-Leninism and proletarian internationalism and has stood the test of violent storms. The constant growth of the friendship between China and Albania will certainly produce an increasingly far-reaching effect on the international communist movement and the revolutionary cause of the people of the world.

Today, the revolutionary struggle of the peoples of the world has entered a new historical period. No matter how frenziedly the imperialists, the modern revisionists and the reactionaries of all countries may struggle, they cannot save themselves from their inevitable doom. Their days are numbered. Let us unite closely with the proletariat throughout the world and all the oppressed people and nations to win still greater victories!

Long live the heroic Albanian people!

Long live the everlasting, unbreakable militant friendship between the Chinese and Albanian peoples!
